

**Recruitment of Consultant - Technical Assistance
for Business Process Re-engineering at
Department of Motor Traffic
for Colombo, Sri Lanka**

Work Description

At the request of the Secretary to the then Ministry of Transport Services Management, Citra Social Innovation Lab has been working with the Department of Motor Traffic (DMT) to re-engineer their service delivery and strengthen their institutional capabilities by embedding innovative practices and approaches within the organization. This includes facilitating the necessary technical expertise to ensure that processes and lines of service delivery within the DMT are user centric. Building on the previous study carried on the driving license process, Citra is looking to engage an expert who has prior experience working on business process re-engineering efforts to support the Citra team.

Contract Modality : Individual Contract (IC)

Duty Station/s : Colombo, Sri Lanka

Deadline for Submission : 08 November 2020

Please refer full Terms of Reference for the position on UNDP site <http://jobs.undp.org>
