

GENERAL MANAGER ACTUARIAL

Union Assurance is a leading corporate citizen in the Life Insurance industry backed by the strength and stability of one of Sri Lanka's largest conglomerates – John Keells Holdings PLC. Standing on a cornerstone of protecting the lives of Sri Lankans for more than 33 years, we have won the hearts of our customers and employees alike with our integrity and professionalism. Our way of working is all about accepting and embracing our values, and being socially responsible.

THE JOB

The person will be responsible for overall management of Actuarial Division in compliance with the related statutory and regulatory requirements whilst leading the team for product development, pricing, actuarial valuations, business planning and financial projection as per the company's expectations.

PRINCIPAL ACCOUNTABILITIES

- Lead and oversee all core actuarial functions such as statutory valuations, product development and pricing, reinsurer arrangements and value reporting
- Formulating and implementing business plans in line with the strategic direction of the company whilst ensuring compliance with the related statutory and regulatory requirements
- Act as a key person for company product development through analyzing the movement of company's products and the market fluctuations and future projections

THE APPLICANT SHOULD

- Possess a Fellow membership from a recognized Actuarial Institute
- Possess a BSc. degree in Business, Finance, Actuarial or related field. MBA will be an added advantage.
- Have more than 10 years of overall Actuarial experience with at least 03 years leading an Actuarial function
- Have a strong commercial and business acumen along with excellent communication, presentation and negotiation skills

The selected candidate for the above position will be entitled to an attractive remuneration package. Interested applicants are encouraged to apply on or before 31st May 2020.
