

Vacancy - USAID

PROJECT DEVELOPMENT SPECIALIST (ENERGY)

The United States Agency for International Development (USAID) in Colombo seeks suitable candidates for Project Development Specialist (Energy) position. While serving as a senior member of the Economic Growth Office, the Project Development Specialist (Energy) supports USAID by providing critical expertise related to energy sector, activity management, and intergovernmental coordination. The job holder will be the first expert at this Mission with technical skills related to energy infrastructure and energy sector management and will oversee the Mission's first activity supporting Sri Lanka's energy sector. This expert's role will expand over time to adapt to support current and emerging regional USG priorities.

Remuneration for this position will be between Rs. 2,991,358/- to Rs. 5,085,320/- per annum (plus allowances as per the Mission Compensation Plan).

Please visit our website <http://www.usaid.gov/sri-lanka/careers> for detailed information on the vacancy announcement and on how to submit your individual application packet. All applications must be submitted via e-mail to hrcolombo@usaid.gov. Before you continue with the application process, please carefully read the instructions available on our website.

Your application should reach us **on or before June 26, 2020, at 05.30 p.m. Sri Lanka time.** Please note, only shortlisted candidates will be contacted.
