Job Description

"Take Flight with Cutting-Edge Information & Communication Technology in Aviation!"

Are you ready to soar to new heights in the dynamic world of Aviation Information and Communication Technology?

With continuous learning, early responsibility, and extensive networking, our graduate opportunities in IT are a great way to start a successful career to thrive in the fast-paced aviation industry.

SriLankan Airlines is a pioneer in implementing state-of-the-art digital & IT innovation in the region. This is an exciting opportunity for highly motivated individuals to work in a fast-paced customer-focused environment.

Our Graduate Programme is 24 months in length, where you will specialize in Data Science Engineering within SriLankan Airlines.

Associate Data Science Engineer

Associate Data Science Engineers in the graduate program, will play a key role in developing and implementing data-driven solutions to address complex business challenges. The position holder will work closely with the Business Intelligence team, software engineers, systems engineers, and cyber security engineers to analyze data, build models, and deploy data-driven applications. This is a crucial role that will eventually transform the business models to be data-driven and automated through novel technologies in machine learning and artificial intelligence.

Requirements

The proposed Graduate Program will be open for:

University graduates who have completed their studies within the last twelve (12) months in Information Technology, Computer Science, Management Information Systems (MIS), Data Science, Information/ Cyber Security, Engineering, or any other relevant field from recognized universities.

The upper age limit should be 35 years as at the closing date 06th September 2023.
Be a Sri Lankan Citizen.
Influencing will be a reflection of unsuitability.
We are an equal opportunity Organization.
Please note that we will correspond with you within a month of closing the advertisement in the event your application is shortlisted for consideration.
