THE MARKET LEADER IN LIFE INSURANCE

DATABASE & SYSTEM ADMINISTRATOR

For more than 36 years, we've helped millions of Sri Lankans lead more fulfilling lives. By taking care of their risks, we've given them the strength to dream big, and the peace of mind to follow those dreams. As we look ahead to the next 36 years, we're seeking the right individuals to lead us into a better, brighter future for us all.

The Job

We are seeking a highly skilled Database and System Administrator to join our ICT team and ensure the integrity, performance and security of our databases.

The Ideal Candidate

- Below 35 years of age
- Degree in Computer Science, Information Technology or a related field from a reputed university
- Minimum of 03 years of experience as a Database Administrator or in a similar role
- Proficiency in DB2, MSSQL, MySQL, Sap Hana and PostgreSQL

- Experience with AS400, Linux, and Windows operating systems
- Implement and manage database security measures and encryptions
- Knowledge of scripting languages such as Python or T-SQL

The Rewards

An attractive remuneration package awaits the right candidate.

The Application

If you feel like you're the right person for this role, please forward your updated CV to jobs@ceyliflfe.lk. Please mention 'Database & System Administrator' in the subject line of the email.
