

Job Advert Details

Some careers have more impact than others.

If you're looking for a role where you can continue to make an impression, take the next step at HSBC where your contributions will always be valued.

Operations, Services and Technology is a pivotal part of the Group, providing essential operational and technical support to our global businesses and helping improve customer service and efficiency. Operations, Services and Technology combines global expertise and technology to help keep us ahead of the competition.

We are currently seeking an experienced professional to join our team in the role of Manager Protective Security, Sri Lanka and Maldives.

Principal Responsibilities

- Work in close conjunction with the appointed regional control owner and local Chief Operating Officer (COO) to ensure the effective management of all Protective Security controls owned locally.
- Ensure controls operate in line with established procedures and standards and in accordance with local law and regulations.
- In partnership with the regional Protective Security team ensure local Risk Owners have a clear understanding of the appropriateness of the controls and their effectiveness.
- Responsible for local Protective Security management with assistance from the regional team as required.
- Manage all elements of the travel security program in line with Group Standards.
- Embrace new technology, processes, systems, or ways of working that enable better management of risk.
- Ensure compliance with applicable, local regulation and HSBC guidelines, making sure to employ the higher standard of controls.
- Engagement and participation with regional Protective Security team.
- Engagement and participation with country COO and COO team.

Requirements

- Experience in risk or control management.
- Good knowledge of the core Protective Security disciplines.
- An understanding of law enforcement techniques and procedures
- Ability to make decisions including when under pressure and to tight deadlines.
- Excellent written and verbal communication skills, with the ability to influence stakeholders at all levels.

When applying, please submit a full resume.

You'll achieve more at HSBC.
