

# JOIN THE TEAM OF CARGILLS BANK

## PROJECT MANAGER CORE BANKING SOLUTION

Exciting opportunity for a project Manager to implement a Core Banking Solution for the bank. You are invited to join our dynamic team and lead the implementation of a cutting-edge Core Banking Solution that will revolutionize our operations.

### DUTIES AND RESPONSIBILITIES

- Develop and execute project plans including scope of work and deliverables to ensure successful implementation of the Core Banking Solution
- Collaborate with cross-functional teams, vendors/ implementation agents to drive project milestones and deliverables
- Monitor project progress, identify risks and proactively address any issues that may arise
- Ensure compliance with industry regulations and best practices throughout the implementation process.
- Identify resource requirements to achieve project objectives
- Prepare budget forecasts based on scope of work and resource requirement
- Maintain accurate and up-to-date project documentation, including meeting minutes, action items and status reports
- Provide timely status updates to the Board, the management and to other internal and external key stakeholders
- Implement and oversee quality assurance processes to ensure deliverables meet established standards
- Coordinate with multiple dependent teams in different locations/time zones as required

### EXPERIENCE AND QUALIFICATIONS

- Minimum 10+ years of experience in a similar capacity with prior exposure in managing large scale Banking project implementations
- Proven experience as a project manager in the banking sector
- Strong knowledge & hands on experience in Core Banking Solutions and project management methodologies such as project planning, execution and maintenance
- PMP/ CSM/ PMI-ACP/PRINCE2 Certification(s) will be an added advantage
- In-depth understanding of the Software Development Life Cycle & awareness of product development concepts
- Excellent communication and interpersonal skills
- Ability to Carry out multiple responsibilities simultaneously & make proactive decisions
- Mentor and motivate fellow team members, and lead from the front
