

INSTITUTION OF ENGINEERS SRI LANKA

CALLING APPLICATIONS FOR AUDITORS TO CONDUCT NATIONAL WATER SUPPLY & DRAINAGE BOARD WATER SAFETY PLAN EXTERNAL FORMAL AUDITS

External Formal Auditing of Water Safety Plans implemented by NWSDB in the water supply schemes has undertaken by the IESL. Applications are called from suitably qualified drinking water sector professionals to serve as Auditors.

TERMS AND CONDITIONS OF THE SERVICE:

The appointments are on assignment basis.

Applicants who are currently working in NWSDB are not eligible to apply

Target Qualifications (based on WHO manual on Practical Guidance to Auditing Water Safety Plans)

1. **Academic Qualifications:** BSc in Engineering/Science/Sociology and Masters / PG Diploma in Water Resource Management/ Environmental/ Water Supply / Sanitation
2. **Professional Qualifications:** Membership of a professional institute
3. **Experience:** Minimum 10 years in drinking water sector including the following requirements.
 - possess considerable experience in developing, implementing and auditing of Water Safety Plans, and an engineering scientific or operational experience
 - understand drinking water and quality related issues, and relevant standards and targets, auditing experience in similar category

APPLICATION PROCEDURE:

Applications (as per attached format) together with copies of academic and professional qualifications should be sent under registered post to reach the Institution of Engineers, Sri Lanka, 120/15, Wijerama Mawatha, Colombo 07 or emailed to info@iesl.lk with the title "**Applications for External Formal Audit of Water Safety Plans for NWSDB**" on or before 10th September 2024.

METHOD OF SELECTION:

Short listed applicants will be ranked based on the qualifications and experiences obtained in the areas as stipulated above by IESL and forwarded with the recommendations to the final approval of NWSDB.

The selected Applicants shall be trained for 2 – 3 days (Residential training including field visit in Sri Lanka) on WSP auditing by NWSDB covering the new edition of the WHO/IWA manual.

The trained auditors (who have participated for the above training program) shall be assigned for Auditing of NWSDB WSS as per their preference locations as given in their application form.

The payments shall be made through IESL after submitting the Audit report and the TAX invoice following the completion of the Audit in coordination with Environmental & Social Division (ESD) of NWSDB.

FURTHER CLARIFICATIONS:

Please do not hesitate to contact Eng. H.W. Gunawardhena (0773621970). If further details are required at the Environmental and Social Division of NWSDB, Ratmalana
