

HEAD OF RISK & COMPLIANCE

With a decade of expertise in the energy sector and a strong focus on sustainable and innovative power solutions, our client is seeking a dynamic and experienced Head of Risk & Compliance to join their executive team. As the Head of Risk & Compliance, you will play a crucial role in ensuring that the organization adheres to regulatory requirements and internal policies while managing and mitigating potential risks.

Key Responsibilities:

- Develop, implement, and maintain the risk management framework and compliance programs specific to the energy sector.
- Conduct regular risk assessments and compliance audits to identify and address potential issues.
- Ensure compliance with all regulatory requirements and industry standards relevant to the energy sector.
- Collaborate with senior management to develop and implement risk mitigation strategies and policies.
- Provide guidance and support to various departments on risk and compliance matters.
- Monitor and report on risk and compliance performance, including key risk indicators and metrics.
- Lead and manage a team of risk and compliance professionals, fostering a culture of integrity and accountability.
- Stay updated on industry developments and ensure that risk management practices align with best practices and emerging trends.

Qualifications & Experience:

- Age below 50 years.
- Bachelor's degree in Finance, Business Administration, Law, or a related field. A Master's degree or relevant professional certifications is preferred.
- Minimum of 7 years' experience in Risk Management and Compliance within the energy sector.
- Extensive experience in risk management and compliance within the energy sector.
- Strong knowledge of regulatory requirements, industry standards, and best practices in the energy industry.
- Proven track record of developing and implementing effective risk management and compliance strategies.
- Excellent leadership, communication, and interpersonal skills.
- Ability to analyze complex issues, make informed decisions, and provide strategic recommendations.
- Compliance with relevant statutory laws, CSE listing rule requirements, and the Code of Best Practice on Corporate Governance 2023 is required.

Consideration will also be given to recently retired officers with significant exposure in finance, construction, or related areas for a period of 2 years to assist in setting up the framework and operational guidelines.

Employment will be offered either on a permanent basis or a contract basis, depending on the candidate's qualifications and suitability.

An attractive remuneration package is offered to the right candidate, reflecting the level of skill and experience.
