
Uva Wellassa University Research Grant Ref No UWU/RG/MPhil/2024/03

Research Project: Developing a sustainable technique for nickel extraction from serpentinite rocks at Ginigalpelessa serpentinite deposit

Suitably qualified graduates who are willing to read for a Master of Philosophy Degree at the Uva Wellassa University of Sri Lanka and ready to work as a Full-Time Research Assistant for the above project are requested to apply for the post. The selected candidate needs to get registered as a full-time MPhil. Student at Uva Wellassa University of Sri Lanka by submitting the relevant documents.

Required Qualifications:

- Candidate should possess a bachelor's degree related Earth Sciences (specialized in Mineral Processing) or related field
- Excellent proficiency in the English language
- Knowledge and experience relevant to the project will be an added advantage

Selection Method:

Selection will be made based on the academic qualifications. Shortlisted applicants will be called for an interview if required.

Required Documents:

- Self-prepared application for the above post
- Photocopies of all relevant academic and professional qualifications
- Copies of research publications (if available)
- Copy of the national identity card (N.I.C.)

Period of Contract:

The contract period for the above post is two years, and you need to get into an agreement with the Principal Investigator of the Project for this period.

Monthly Stipend:

All-inclusive Rs. 65,000/= per month will be paid based on the payment regulations of the Uva Wellassa University.

The above documents should be posted or handed over to Eng. Nimila Dushyantha, Principal Investigator of UWU/RG/MPhil/2024/03 Project, Department of Applied Earth Sciences, Faculty of Applied Sciences, Uva Wellassa University of Sri Lanka, Passara Road, Badulla on or before 19th of September 2024 and email a softcopy to nimila.dush@uwu.ac.lk. If you need any clarification, contact Eng. Nimila Dushyantha through nimila.dush@uwu.ac.lk.

Registrar,
Uva Wellassa University.
