

SRI LANKA MEDICAL COUNCIL

VACANCY

Post of Consultant on Assignment Basis

The Internship Unit of the Sri Lanka Medical Council (SLMC) is seeking applications for a Consultant to evaluate and enhance the quality of Internship stations (Training Hospitals/Units). This is an opportunity for professionals with a strong background in healthcare evaluation and management.

Key Responsibilities:

1. Scrutinize all applications for recognizing Internship Training Hospitals/Units, conducting necessary observations and site visits to ensure compliance with Internship expectations (Intern Outcomes).
2. Compile and provide a list of recognizable Hospitals/Units prior to the placement of Internship training for SLMC approval.
3. Address issues related to Internship placements by organizing panels and committees as appointed by the SLMC.
4. Make recommendations to the Internship Committee to enhance the quality and number of Internship placements.
5. Monitor the functioning of Internship training Hospitals/Units and liaise with the Ministry of Health to ensure smooth operations.
6. Undertake any additional activities required to achieve the objectives of the assignment in consultation with the Internship Unit of the SLMC.

Qualifications:

1. A basic degree (MBBS) and postgraduate qualifications preferably in Medical Administration.
2. Any qualification in human resource management and medical education (postgraduate) will be considered as an added qualification.
3. At least 15 years of experience in internship training would be essential.
4. Healthcare evaluation, and management, especially in the management of Intern Medical Officers and related fields will also be considered.
5. Strong analytical and organizational skills.
6. Excellent communication and interpersonal abilities.

Age Limit : As per the Government circulars

Salary : Negotiable

Application Process :

Please submit your CV and a cover letter detailing your relevant experience and qualifications to the undermentioned email on or before 08.11.2024.
