Online Application Submission

Before opening or filling the application:

- Keep the following information and documents ready
 - Degree certificate information name, subjects, dates etc.
 - Post graduate and/or Board certification information
 - If your first degree a medical degree, you need to fill 2nd, 3rd and final year information separately so Class, Distinctions, Medals & Prices, Remarks etc. of each year
 - School leaving information name, address, start/end date etc.
 - Research and publications information title, authors, published date, source etc.
 - Contact information of two non-referees name, address, email, phone etc.
 - Previous and current employment information position, institute or department, dates joined and left etc.
 - A **pdf** file which contains the **first degree certificate** and the **transcript**. The file needs to be less than 10 MB.
- There are 9 steps to be filled by the applicant and last step is the result of submission
- No information is saved to the system until you submit all the information at the end step
 9. If you reload the page, all the previously filled information is lost. You can change any information filled already by clicking "Previous" button and going back (if you want to change any information in previous step)

Note: If you apply for more than one post then you have to submit separate applications for each post. You cannot submit single application for more than one post so you have to reload the URL and submit again for the next post. Duplicate submissions for a post advertised in a department is restricted and you will get a notification message when try to go to next page by clicking "**Next**" button.

If Vacancies Available:

- Access the URL : https://vacancies.ruh.ac.lk/
- The loaded page will display valid and available vacancies at the moment (with their relevant advertisements)
- If you get "Sorry, unable to open the file at this time." message when access the URL, then try to load the page on a **private/incognito** browser window.

Fill the Application

Step – 01: Post Selection

- All the fields in this page is mandatory
- First select the Advertisement you refer from the dropdown list "Advertisement"
- Then Select the Faculty or the main premise of the university from the drop down list "Faculty / Establishment"
- When you select the relevant Faculty or Establishment one of the following will be done by the system.
 - 1. The "Department" drop down list automatically populated with vacancies available departments of the selected faculty

- 2. The "Department" drop down list is automatically hidden by the system if a selected Establishment does not have any Departments (eg. Administration, Library etc...)
- Select the department from the "Department" drop down list if it is available
- All the available positions are listed in the "Post" drop down list and you have to select the one you want to apply for.
- Give your NIC and click next.

The page loaded initially will look likes below image if there is at least one valid vacancy announcement published

• Initial loaded page and when the selected option from the Faculty / Establishment has departments, the following fields are displayed

- Reference number: generated uniquely for the application you have submitted. If you have applied for more than one post by submitting more applications, you will get separate response emails with different reference numbers.
- Title and Name with Initials: your submitted title and the name with initials is used to address you at the beginning of your email.
- Status link: you can check your status of your application and upload required or missing or relevant documents.
- Head Approval submission link: if you work on a government or semi government body or authority, you should get the head approval for the post applied and upload the document

using the given link. The head approval form is attached with the response email and head signed copy of the document should be uploaded to the location/URL given. If you have applied for more than one post then you need to upload those separate head approval forms for each post.

- Post Graduate Certificate upload link: link to upload the post graduate certificate if there is any. Only single file can be uploaded and all the post graduate certificates should be included in the uploading document.
- Abstract evidence submission link: Abstracts documents needs to be submitted using this link. A link is available in the Status page too.
- Journal evidence submission link: All the journals and related document needs to be uploaded through this link.
- Other related document submission link: Any other relevant documents should be submitted using this link.
- Head Approval Form: Uniquely generated form for the applied post, is attached with the response email. This form is unique for the applied post. If applied for different post, need to upload relevant head approval form for the relevant post.

Note: you can use the Status Link page to upload all the documents as the same link is available there to upload. Once submitted the page will show the status whether it is submitted or not.
