## Brand Manager – Digital Brands

### JOB PROFILE

- Develop brand strategies for digital products, ensuring alignment with company goals and market trends
- Plan and execute marketing campaigns, working with internal teams and external agencies for content creation and activation
- Monitor brand performance through analysis, adjusting strategies to meet KPIs
- Manage marketing budgets, ensuring efficient allocation of resources for campaigns
- Create and oversee marketing materials such as digital content, commercials, press releases and promotional materials
- Collaborate with product teams to communicate new features and product updates
- Monitor competitors and market trends to identify opportunities for brand differentiation
- Report on marketing activities quarterly and annually, providing insights and performance analysis

### APPLICANT'S PROFILE

- Bachelor's degree in Marketing, Digital Marketing, Business Administration or any related field
- 5+ years of experience in brand management, with a focus on digital brands with at least 2 years of experience in a managerial role, leading marketing efforts for digital products
- Strong understanding of digital marketing tools and platforms
- Proven ability to develop and execute brand strategies and marketing plans
- Strong analytical skills for evaluating campaign performance
- Excellent communication and project management skills
- Ability to collaborate effectively with internal teams and external agencies

The successful candidate will be provided with an attractive remuneration package, commensurate with benchmarked financial institutions.
