

Island-wide Recruitment on for ESOFT 2.0

ESOFT is celebrating 25 years of excellence, and is about to unveil ESOFT 2.0

New programmes are being introduced, and new facilities are being added with 25,000 sqft in Colombo, 30,000 sqft in Jaffna, and 80,000 sqft in Kandy to cater for the increased demand.

We are in search of talented individuals with experience in the educational industry to fill up the leadership positions to facilitate our next wave of growth including international expansions.

VACANCIES ARE AVAILABLE IN THE FOLLOWING CATEGORIES

CENTRE MANAGERS

As a Centre Manager, you will take full responsibility for managing the centre, ensuring smooth operations, and driving student recruitment, marketing, and course delivery.

Ideal Candidate:

- Experience in education management or a similar leadership role is preferred.
- Goal-driven and results-oriented with a strategic mindset.
- Excellent communication and interpersonal skills.
- Ability to work under pressure and manage multiple priorities.
- A strong leader with excellent organizational and problem-solving skills.

BUSINESS DEVELOPMENT MANAGERS

Business Development Managers will be responsible for driving student recruitment through outreach activities while also developing new partnerships and affiliations to expand our portfolio.

Ideal Candidate:

- Prior experience in business development, student recruitment, or education marketing is preferred.
- Excellent networking and relationship building skills.
- Strong negotiation and persuasion abilities.
- Self-motivated and capable of working independently.
- A proactive and results-oriented professional with a strong business acumen.

STUDENT RELATIONSHIP MANAGERS

As Student Relationship Managers, you will be responsible for enhancing the overall student experience by analyzing feedback and implementing initiatives to improve student satisfaction, engagement, support services, and placements.

Ideal Candidate:

- Experience in student affairs, customer service, or education management is a plus.
- Excellent communication and interpersonal abilities.
- A team player who thrives in a dynamic and student-centric environment.
- Strong analytical skills to interpret feedback and implement improvements.
- A student-focused professional with strong empathy and problem-solving skills.

ACADEMIC HEADS

We are seeking subject matter experts and researchers who can contribute to curriculum development, teaching, and research. Ideal candidates should have a PhD (completed or near completion) in one of the following fields: IT, Engineering, Fashion & Design, Management, Law, Biomedical Engineering, or Nursing.

Ideal Candidate:

- A passionate academic with expertise in their subject area.
- Strong research capabilities with published work preferred.
- Excellent teaching and mentorship skills.
- A collaborative mindset to work with students, faculty, and industry stakeholders.
- Commitment to continuous learning and academic excellence.

If you are ready to make an impact in the education sector and grow with us, we would love to hear from you!

Please apply via registered post with a cover letter which indicates your field of expertise and a detailed curriculum vitae with the position interested on the top left hand corner of the envelope or email your CV to careers@esoft.lk with the position applied in the subject line to reach us on or before **06th April 2025**.

Join us in shaping the future of education!
