

## Job Advert Details

Some careers have more impact than others.

If you are looking for a role where you can continue to make an impression, take the next step at HSBC where your contributions will always be valued.

In Wealth and Personal Banking, we serve 41 million customers globally, including 6.7 million who are international, from retail customers to ultra-high net worth individuals and their families. We help our customers to take care of their day-to-day finances and to manage, protect and grow their wealth. Our international network and breadth of expertise enable us to deliver on HSBC's purpose of opening up a world of opportunity by providing our customers with borderless banking and world-class wealth management through best-in-class, mobile-first capabilities and exceptional people. Our key areas of operations include Retail Banking and Wealth Management, Asset Management, Global Private Banking, Insurance, and Chief Operating Office.

We are currently seeking an experienced professional to join our team in the role of Assistant Manager Data and Analytics – Fixed Term Contract.

### Principal Responsibilities

- Drive different Data and Analytics projects for Business growth.
- Develop and work with Machine Learning and AI for business.
- Instrumental in driving Digital Analytics.
- Work with key stakeholders on the Campaign Management, CRM and Data Visualisations.

### Requirements

- Contract period will be for two (02) years.
- Applicable for Sri Lankan nationals only.
- A minimum of two (02) years of experience in Data Analytics.
- Expertise in SAS and SQL.
- Working knowledge of using Python, R and Google Big Query.
- Demonstrated commitment to learning about ML/AI through your own initiatives, through courses, books or side projects.
- Solid technical skills in MS Excel, VBA and Java scripting will be advantageous.
- Intellectual curiosity, motivation and passion for data discovery combined with business acumen.
- Knowledge of data engineering will be an added advantage.
- Strong Communication Skills.

When applying, please submit a full resume. In the event you are shortlisted, please note that interviews will be scheduled within a day from cutoff date.

You will achieve more at HSBC.

HSBC is committed to building a culture where all employees are valued, respected and opinions count. We take pride in providing a workplace that fosters continuous professional development, flexible working, and opportunities to grow within an inclusive and diverse environment. Personal data held by the Bank relating to employment applications will be used in accordance with our Privacy Statement, which is available on our website.
