

**CALLING APPLICATIONS FOR THE POST OF DIRECTOR /
CENTRE FOR MULTIDISCIPLINARY RESEARCH (CMR) (PART-TIME),
EASTERN UNIVERSITY, SRI LANKA**

Applications are invited from suitable academic staff (Senior Lecturer Gr. II and above) of Eastern University, Sri Lanka for the Post of Director/Centre for Multidisciplinary Research (Part-time) at the Eastern University, Sri Lanka.

Introduction

Rigour research is of paramount importance to attain the Vision of the Eastern University, Sri Lanka, by impacting transformational change in society. Consequently, it will facilitate enhancing the University's reputation. The primary justification for creating a Centre for Multidisciplinary Research is bringing together individuals with complementary interests and different fields to create a focus for joint research, seeking funding, industrial collaboration, and forming a partnership with foreign Universities. The research will be of national significance with a focus on international recognition. This Centre comes under the purview of the Vice-Chancellor.

1. Eligibility :

The applicant should be an academic with knowledge and experience in multidisciplinary research and willing to work freely without other commitments.

2. Tenure :

This is a part-time assignment and is for a maximum period of **three years** with provisions to extend for several terms.

3. Objectives :

- i. Promote and facilitate collaborative interdisciplinary research and enhance research networking capacity and infrastructure.
- ii. Increase and effectively manage the resources and research support for its members and the broader university community.
- iii. Provide education and training in research and related skills, especially for postgraduate and undergraduate students, enhancing academic programs.
- iv. Transfer and mobilize knowledge gained through research for the benefit of society via a variety of mechanisms as appropriate.
- v. Provide consultancy services to the government and non-government organizations
- vi. Enhance the reputation of its academics and the University through the quality of its work.

Interested academic staff members may send the self-prepared application with updated Curriculum Vitae and other relevant information to reach the Registrar, EUSL through proper channels **on or before 30.04.2022 before 4.00 p.m.**
