

Job Description

The selected candidate will be primarily stationed at SriLankan Airlines' in-house Medical Centre, providing comprehensive nursing care and attending to medical emergencies across SriLankan premises and at the airport on a 24/7 rotational basis.

Key responsibilities will include;

- Provide nursing care and first aid to employees at SriLankan premises.
- Monitor and refill first aid boxes, ensuring compliance with required standards.
- Coordinate with relevant departments on matters related to medical equipment, first aid kits, oxygen cylinders, and other medical supplies.
- Maintain accurate records and compile statistical reports on medical services provided.
- Support preventive health initiatives such as administering vaccinations, conducting water quality testing, and delivering health education.
- Conduct Breath Alcohol Tests and Psychoactive substance test and contribute to maintaining a safe and healthy working environment.

Requirements

- 6 passes at the G.C.E (OL) examination with 4 Credits in one sitting including a Credit for English
- And
- Possess a Government School of Nursing Certificate with 3 years general nursing experience in Government Hospitals, preferably in Accident & Emergency, Public Health, Occupational Health and be a registered Nurse with the Sri Lanka Medical Council or Sri Lanka Nursing Council.

Age to be not more than 48 years as at 04th May 2025 which is the closing date.

Be a SriLankan Citizen.

Influencing will be a reflection of unsuitability.

Employment will be offered on fixed term contract.

We are an equal opportunity organization.

Please note that we will correspond with you within a month of the closing date of the advertisement in the event your application is shortlisted for consideration.
