

Armed with a proud history of over 29 years, Pan Asia Bank is on an exciting growth journey, evidenced by an array of recognitions, including being honoured as one of the Top 40 business entities in the country by Business Today, the most awarded entities by LMD, Best Green Bank in Sri Lanka by Global Banking & Finance, Best Bank for ESG by International Business Magazine, the Best CSR Bank by Brands & Business Magazine, to name a few.

We are looking for proactive, results-focused, and enthusiastic individuals to join our team. If you are ready to make a significant impact and be an integral part of our expanding team, we would love to hear from you! We believe your presence in our team will help enhance our standing further with your dynamic personality and professional skills.

SOFTWARE BACKEND DEVELOPER

IT Department

Job Profile:

- Design, develop, and maintain the server-side logic of web and mobile applications, ensuring high performance and responsiveness
- Work closely with frontend developers, architects, and product teams to create seamless, scalable, and efficient applications
- Build and maintain RESTful and GraphQL APIs for seamless integration with frontend and third-party services
- Develop microservices based architectures, ensuring loose coupling, high availability, and scalability

Candidate Prerequisites:

- Bachelor's degree in IT, Computer Science, or a related field from a recognized university
- Certification in server-side programming languages
- A minimum of 4 - 5 years of work experience in backend development or a similar role
- Ability to develop, test, and maintain scalable backend systems and APIs for web and mobile applications
- Good understanding of DevOps practices, including CI/CD pipelines
- Knowledge of version control systems and experience with database technologies
- Ability to work in a customer-centric application development environment
- Excellent problem-solving and analytical skills

Remuneration:

The successful candidates will be provided with an attractive remuneration package including fringe benefits, commensurate with industry standards.

If you are a results-driven professional looking for a challenging and rewarding opportunity, we invite you to apply for the position through our career portal before the deadline provided.
